

JOB TITLE: Senior Investment Analyst**DEPARTMENT:** Asset Management**DIVISION:** Western Region**FLSA:** Exempt**DATE OF REVISION:** 08/31/2017**1. PRIMARY FUNCTION**

The primary function of the Senior Investment Analyst is to assist the Senior Portfolio Analyst with the financing, asset management and disposition of multifamily properties. Assist in the development and implementation of operating budgets, underwriting standards, and other procedures for the development/acquisition, ownership (operations) and disposal of multifamily properties. Monitor status of properties in all phases of development.

2. ESSENTIAL DUTIES AND RESPONSIBILITIES (Should be a minimum of 5-8)

- **Asset Management:** Support the Regional Asset Manager and Onsite Management Team with the development and implementation of lease-up strategies for new developments including marketing, pricing and operations. Provide operational oversight by reviewing monthly property financial statements and reports provided by Onsite Management. Prepare supportive analysis for lenders and equity investors as needed.
- **Financial Modeling:** Maintain and improve JPI's proprietary Development/Acquisition and Reforecast Models. Update models to reflect various capital structures and market terms.
- **Financial Analysis:** Support development teams as needed with underwriting acquisition and development opportunities to include financial modeling, land and property valuations, investment analyses (IRR, sensitivity tables, etc.), and joint venture structuring.
- **Due Diligence:** Support the transaction due diligence and closing processes. Collect due diligence materials, utilize information to adjust underwriting, and assist team members to facilitate the closing of a transaction.
- **Capital Markets:** Prepare investment summaries and presentations for existing and pipeline deals. Draft summaries and provide detailed analysis to JPI Executive Committee, Prospective Lenders and Equity Investors.
- **Dispositions:** Provide forecasts and proposed timing to commence disposition process. Source and assist in selection of broker and review broker opinions of value. Review letters of intent to assist in selection of buyer. Coordinate due diligence and closing process.
- **Investor Relations:** Build and maintain relationships with lenders and equity investors. Provide monthly updates and prepare ad hoc reports requested by investors and lenders.
- **Special Projects:** Support the San Diego and Corporate teams as necessary.

3. NON-ESSENTIAL DUTIES AND RESPONSIBILITIES (Could be 1-3)

- Train new analysts.
